FOREWORD

This is the second compilation of Resources in Migrant Education and replaces the previous volume. Also, all "change notices" have been incorporated within the body of this volume. It is complete up to the indicated publication date. Additional "change notices" will be sent when significant new materials are received.

The directories from the National Farmworkers Information Clearinghouse (NFIC), although somewhat outdated, do provide information on services, population characteristics, crop data, geographic distributions of farmworker populations within states and other data that may be helpful.

Several publications listed are out of print and only single copies are on hand at the Migrant Program Communications Office. Should you wish to obtain a copy of an out-of-print publication, a per page charge of $.05 must be made to cover costs for photocopying. Please send a check or money order, payable to Migrant Program Communications, with your order. (Out-of-print publications are indicated with (**) following the annotation.)

To obtain copies of publications, write:

RESOURCES IN MIGRANT EDUCATION

ALABAMA

Alabama Migrant Annual Evaluation Report FY-75 - Overview of Alabama's migrant education programs. (111 pages)

ARIZONA

The Arizona Migrant Story - A general awareness publication to illustrate the people behind the migrant education program in Arizona. It provides a historical look at Arizona's activities, the state's needs assessment, program components, a brief look at regular school programs and summer schools, health and nutritional services plus a program critique. (32 pages)

Learning Activities and Resource Units - Teacher-pupil learning activities consisting of realistic learning center in classrooms such as an art area, reference materials and an audiovisual area. (131 pages)

Migrant Child Education Teacher Exchange - Report on pilot projects involving exchange of migrant teachers between Arizona and Arkansas. Relates experiences and teaching skills shared by the individual teachers involved in the program. (19 pages)

Migrant Child Education Administrative Handbook - Information contained in this handbook will provide answers to many of the questions pertaining to the administration of migrant education projects. (19 pages)

The Eloy Story - A report for Eloy Elementary Summer School migrant programs for kindergarten through second grade. Describes language experiences for migrant children which develops competency of English. (46 pages)

Parker Migrant Summer Story - Summary of activities in the Parker Summer School, Parker School District. (46 pages)

The Wilcox Story - A description of a six-week program to improve math and reading skills, self-concept building and increasing educational opportunities for migrant children. (46 pages)

Migrant Child Education Services - This brochure briefly describes farm labor in Arizona, funding for child education programs and projects in operation statewide.

Migrant Child Institute - Learning Activities and Resource Units (Primary Through Grade 3 and Grades 4 through 8 units) - Prepared by teachers and administrators since 1973, these units were key elements in Arizona's three-state recommendations related to individualized instruction in both reading and oral language. The books have two main parts: "Room Organization-Realistic Learning Centers" and "Instructional Resource Units." Edited by Dr. Warren H. Wheelock, Director, Reading Clinic, University of Missouri. Introduction by Dr. Nicholas J. Silvaroli. (109 pages)

ARIZONA, Cont.

Arizona's Migrant Child Education Teacher Exchange with California - Actual reports or excerpts from reports of the Arizona delegation that traveled to California to participate in a Teacher Exchange Program with other states. (81 pages)

The Somerton Story IV & V-1975 - Describes activities of the Somerton school district #11 migrant education programs for migrant children. (22 pages)

Arizona Evaluation FY-75 - A summary of statistical information on Arizona's migrant programs. (38 pages)

Arizona's Migrant Child Education Teacher Exchange with Florida FY-75 - This report excerpts reports from Arizona teachers who went to Florida April 21-25, 1975, to share training techniques, materials and procedures through practical application and on-site observation. Arizona annually sends migrant education staff to other states in this interstate continuity effort. (38 pages)

Arizona's 6th and 7th Annual Migrant Child Teacher Institute FY-75 & FY-76 - Since 1970 the summer institute for migrant teachers has introduced some 175 Arizona teachers and 50 aides to new curriculum concepts in oral language development, reading and individualized instruction. Appendicies include an Oral Language Development Guide and a Gallup Curriculum Guide for oral language. (47 pages)

Education for Migrant Children: Arizona State Plan FY-76 - Goals and objectives of Arizona's migrant programs. (39 pages)

Education for Migrant Children: Arizona State Plan FY-77 - Arizona's fiscal year plan for delivering educational services to migrant children gives objectives for meeting needs of the children in terms of education, health, nutrition and supportive services. Lists the expected results and benefits of the programs in addition to approaches to be used within programs. Also provides data on geographic locations of school districts in which migrant children are identified. (47 pages)

Choices Not Circumstances - May, 1977 - Subtitled, "An Educational Needs Assessment For the Children of Arizona's Migratory Agricultural Workers," the report is in three volumes: I. Executive Summary; II. Migrant Population and Programs: Characteristics and Trends; III. Educational Assessment. Completed in May, 1977, the report provides current statistical data on migrant families plus comparisons of population characteristics, technological impacts, political and environmental factors, and draws relationships between societal conditions and the identified needs of migrant students in 1980. The educational needs assessment results leads to a recommended action plan for the Arizona migrant education program. (Vol I - 76 pages, Vol. II - 161 pages, Vol. III - 171 pages)**

ARKANSAS

An Evaluation Report of Arkansas Migrant Education Program FY-75-76 - An overview of Arkansas migrant education programs for fiscal year 1976. (14 pages)

CALIFORNIA

Perceptual Development - An outline of the main ideas of perception with some diagnostic tests, plus some activities which can be implemented for the remediation of learning disabilities. (40 pages)

California Mini Corps - This booklet describes California's innovative program for meeting migrant children's academic needs and training professional educators in working with migrant children. Young people from rural migrant backgrounds with one or more years in college are recruited in the Mini Corps and trained as outreach workers to provide services to the children and their families. (16 pages)

California Master Plan for Migrant Education - An overview of California's migrant education projects. (28 pages)

California Migrant Education at a Glance - A statistical breakdown of the state's migrant education program with regional statistics on children served by grade level, program type and by funding levels for fiscal 1976. Also provides names and phone numbers of state and regional contact persons. (19 pages)

Evaluation Report of ECE, ESEA Title I, and EDY 1975-76 - This report summarizes the findings of an evaluation of Early Childhood Education (ECE), Title I, and Education for the Disadvantaged Youth (EDY) programs during the 1976 fiscal year. It contains charts, statistics and comparative data on the services provided to more than 939,000 students plus information on adult volunteers involved with these programs. (50 pages)

COLORADO

Summer School for Your Children - A booklet prepared for the purpose of providing information concerning Colorado's migrant summer education programs. (16 pages)

Child Nutrition Programs - A guide explaining the nutritional programs offered migrant children by the Department of Agriculture.

Spanish Guide for School Personnel - A guide prepared to help in the communications with Spanish-speaking children. Spanish pronunciation, simple phrases, common words and expressions and frequent questions and answers in Spanish are given. (37 pages)

Surveying a Better Tomorrow - A brochure describing Colorado's Migrant Child Identification and Recruitment Project (MCIRP) and how it operates. It includes a set of goals and lists field representatives. Also available in Spanish.

Colorado Migrant Education Summary and Evaluation Report 1974-75 - An overview of Colorado's migrant education programs for fiscal year 1975. (60 pages)

Colorado Migrant Education Mobile Units-Help on Wheels FY-76 - Describes and evaluates Colorado's mobile classroom units for serving elementary migrant children. (18 pages)

CONNECTICUT

Education in the Tobacco Camps - This book deals only with the unique problems and challenges encountered in bringing educational opportunities into these tobacco camps. (29 pages)

Migrant Education in Connecticut - An administrative outline of Connecticut's migrant education programs. (15 pages)

Evaluation Report Connecticut Migratory Children's Program - Summer 1975 - Effectiveness of Connecticut's regular summer program and the tobacco camp evening program, includes two special components: Pre K/K unit and Bilingual Pairing concept. (60 pages)

Connecticut State Plan FY-76 - Goals and objectives for Connecticut's migrant education programs. (31 pages)

Connecticut Migratory Children's Program Final Evaluation Report 1976 Summer Program - Prepared by the Connecticut State Education Department, this evaluation report identifies reading achievements, mathematics achievements and others. (185 pages)

DELAWARE

Evaluation Report: 1975 Summer Educational Program for Migrant Children - Prepared by the Delaware State Education Department, this evaluation report identifies three summer school projects as exemplary activities. The projects were conducted around the theme "Our Cultural Heritage." The projects served 435 migrant children. (50 pages)

State Plan for Migrant Education FY-75-76 - Provides a complete outline on objectives, approach and expected outcomes of Delaware's plan for educating migrant children identified in the state. Also provides information on supportive services and crop activity in Delaware. (51 pages)

Evaluation Report: 1976 Summer Educational Program for Migrant Children - The annual report of activities for approximately 600 migrant children in Delaware's summer program provides statistics and narrative information on all aspects of the program. (40 pages)

State Plan for Migrant Education FY-76-77 - Provides a complete outline on objectives, approach and expected results of Delaware's plan for educating migrant children identified in the state. Also provides information on supportive services and crop activity in Delaware. (51 pages)

State Plan for Migrant Education FY-77-78 - Provides a complete outline on objectives, approach and expected outcomes of Delaware's plan for educating migrant children identified in the state. Also provides information on supportive services and crop activity in Delaware. (56 pages)

FLORIDA

Up the Stream - Aqua Arriba - This booklet has been prepared for the purpose of providing information pertaining to summer educational and enrichment programs throughout the Eastern United States for the children of agricultural workers. (20 pages)

Making the Community-Centered School a Reality - A handbook offering guidelines for parents, students and school personnel who wish to establish a successful community-school relationship. It is not to be viewed as the sum and substance for every school, rather, it is to be utilized as a single guide for initiating activities which could easily be altered and expanded according to the interests and needs. (45 pages)

Florida Migratory Child Compensatory Program (Learn & Earn) - Learn and Earn Program designed to provide opportunities for the migrant child not normally found in the regular classroom. Vocational skills, self-awareness, self-concept, are parts of the program allowing the participant to earn while learning about the world of work. (57 pages)

A Handbook for Teachers of Three, Four, and Five Year Old Migrant Children - A handbook providing opportunity for each migrant child to improve communication skills, preschool and kindergarten experiences, language arts, math social studies and specially designed activities which will increase the migrant child's social growth and positive self-concept. (193 pages)

Language Arts Tutorial Program - A brochure compiled for the training of tutorial teachers and tutors of migrant children. Description of operational procedures, duties involved in the tutorial program, program goals and objectives. (11 pages)

Report on Sixth Annual Eastern Regional Migrant Education Workshop Inter-State Planning - Workshop proceedings detailing methods for increasing interstate cooperation and planning to assure continuity of education for migrant children in the East Coast. (51 pages)

Florida Migrant Child Compensatory Program (Instructional Films Catalog) - Provides listings of current materials and services available to educators servicing migrant children. Lists more than 900 films dealing with virtually every academic subject.

An Aid to Teachers of Spanish-Speaking Children - A Florida publication designed to assist monolingual teachers in helping Spanish-speaking children adjust to classroom procedures and surroundings. (10 pages)

Holiday Experiences for Young Children - Publication suggesting holiday-based songs, cooking experiences, poems, and art experiences to help improve language concepts, listening skills and social interaction. (50 pages)

Florida Migratory Child Compensatory Program - Who? What? Why? Where? - Provides a breakdown of the organizational structure of the state's administrative offices and support personnel. (34 pages)

FLORIDA, Cont.

Summer Time Fun for Kids (and Parents) - Activities and suggestions for kindergarten children that parents can have fun with too. (5 pages)

Administrative Handbook Florida Migratory Child Compensatory Program - A guide for local educational agency personnel for the design, development, implementation and evaluation of migrant education projects. (68 pages)

Special Programs for Children - A booklet describing and listing all summer programs for migrant children in other states, including telephone numbers. Also provides listings of many health projects and child care centers by county in each state. Current information as of April, 1977. (27 pages)

Florida State Plan FY-1975 - Goals and objectives for Florida's migrant education programs. (70 pages)

Florida Migratory Child Compensatory Program FY-75-76 Evaluation - The annual evaluation of Florida's $14 million program for migrant children highlights programs undertaken during fiscal 1976. The report contains statistical data on academic gains, job training and placement and health services provided. (40 pages)

GEORGIA

Administrative Guide - An administrative guide for design, implementation and evaluation of Georgia's migrant education programs. (22 pages)

Georgia's Migrant Education Program - A brochure describing the statewide program which touches upon MSRTS, staffing the State Migrant Resource Center, and projects for children and families.

Georgia Migrant Education Program (Evaluation FY-76) - Gives program objectives and staffing patterns and a review of anticipated program expenditures. (102 pages)

Moving into Greater Realms FY-76 - A follow-up descriptive booklet on the 9th Annual Georgia Migrant Education Workshop. Provides detailed discussions with smaller group workshops in language arts, teacher-made materials, movement education, cultural differences among others. (28 pages)

Georgia Migrant Education Program, Title I ESEA, 1976-77 - Twenty-nine programs enrolled 2,717 migrant children within 47 school systems during FY 1977, an increase of 15% over the previous year. The report relies heavily on statistical reporting of program and instructional activities. The achievement data reported for reading activities are cumulative and comparable across school systems. (108 pages)

IDAHO

Migrant Education Evaluation Report FY-75 - An overview of migrant education programs in Idaho. (32 pages)

Migrant Education Evaluation Report FY-76 - This report describes the progress of the educational activities implemented under Title I of the Elementary and Secondary Act, amended in 1966 by Public Law 89-750. (102 pages)

Migrant Education Evaluation Report FY-77 - A review of FY-77 educational services for more than 8500 migrant children identified in Idaho. Forty school districts participated in 29 summer school programs. (25 pages)

ILLINOIS

Early Prevention of School Failure for Spanish-Speaking Children - A program to identify children's learning styles and to plan for individual programs in pre-academic skills which can help prevent difficulty in beginning reading. This project was the recipient of the Pacesetter — Award and is a nationally validated program. (13 pages)

State of Illinois Report on Title I, Public Law 89-750 Migrant - An overview of Illinois' migrant education projects. (6 pages)

Illinois FY-76 Annual Report on Title I, Public Law 89-750 Migrant Programs - This report describes and discusses data and recommendations, provides an overview of the migrant program and presents site visitation summaries based on interviews and observations conducted at 17 migrant program sites in Illinois during the summer of 1976. (52 pages)

Directory of Services for Migrant Families - This edition represents the first attempt to bring together under one cover a brief description of services provided to migratory agricultural workers and their families in the State of Illinois. (English-37 pages, Spanish-22 pages)

INDIANA

Indiana Migrant Education Needs Assessment - A report which gives data intended to provide the best available information on administrative and program management decisions. A product of documenting "What Is" as opposed to "What Ought To Be." (111 pages)

IOWA

Annual Evaluation Report for Migrant Programs FY-75 - An overview of migrant education programs in the State of Iowa. (42 pages)

IOWA Cont.

A Handbook for Migrant Education in Iowa FY-75 - A handbook for educators in Iowa which incorporates the organizational structure of migrant education, the scope and genesis of the state's migrant education programs, federal and state legislation, procedural guidelines for program operation and initiation, statements of national, state, and local goals and objectives and a reporting of the means employed to achieve these goals and objectives. **

Annual Evaluation Report for Migrant Programs FY-76 - A report on parent involvement, inservice, program effectiveness, children served, grade placement, etc., of Iowa's migrant programs. (60 pages)

Annual Evaluation Report for Migrant Programs FY-77 - Evaluation of programs conducted for 178 migrant children in regular school term programs and 187 children in migrant summer school programs within six LEA's. Very brief description of various program components: health, parent involvement, inservice, interagency cooperation, dissemination and instructional activities. (11 pages)

LOUISIANA

Volume I Technical Report for State Plan FY-75 - The Technical Report examines information and state plans outside Louisiana on migrant programs and populations, demographic data collected on migrant populations in Louisiana, with requisite instruments for collection, and a comprehensive literature review of migrant programs, materials, and services in the nation. The Technical Report serves as the base for the model plan. (110 pages)

Volume 2: Model State Plan FY-75 - Goals and objectives of Louisiana's migrant programs. (38 pages)

Volume 3: Supplementary Report Migrant Education Study - A survey of Louisiana Counties to determine whether planning and implementation of a statewide program for migrant children and parents was necessary. (23 pages)

MARYLAND

Migrant - A report on summer school programs in the state of Maryland. Quite possibly the most significant aspects of this report will be found in the pictures the children drew, the stories they wrote, and the informal photographs taken by their teachers. (29 pages)

Harvest Time - A booklet which briefly answers questions frequently asked about Maryland's migrant education program.

Institute for Migrant Cross Cultural Communication at Salisbury State College FY-76 - Details, procedures, and materials used in a 15-week institute. Teachers of migrant children participated and received training aimed at improving their competencies in planning and implementing instructional classroom activities for Spanish-speaking migrant children. (147 pages)

MARYLAND Cont.

Migrant Camping FY-76 - The camp program of Caroline County public schools, Maryland, is an important part of the summer migrant program. This booklet describes all aspects (including objectives and activities) of the program from menu preparation to the campsite organization to clean-up. Major categories are: 1. Campsite Activities; II. Habitat Activities; III. Recreational Activities; and IV. Personal Hygiene and Safety Activities (71 pgs)

1977 Maryland Migrant Education State Plan - Goals and objectives of Maryland's migrant education programs. (20 pages)

MICHIGAN

Michigan Migrant Education Program Region IV - A brochure on Michigan's migrant education program in Region IV.

Project Needs and Objectives for Migrant Advancement and Development (NOMAD) - Michigan's comprehensive summer and year-round migrant education programs. Several components of this project are detailed in the following booklets:

Project Description - School Year and Summer Program (14 pages)
Family Unit (9 pages)
Evaluator's Handbook (8 pages)
Suggested Activities - Materials for preschool kindergarten and learning centers (8 pages)
Resource Materials (39 pages)
Arts and Crafts (20 pages)
Evaluation and Recommendations 1972-74 (44 pages)

MINNESOTA

Directory of Services for the Migrant and Seasonal Farmworker - A directory telling about services and programs that are available for the migrant farmworker in Minnesota. Example: Medical care, financial help, housing problems, etc. (17 pages)

Migrant Education Administrative Handbook - A guide for local educational agency personnel for the design, development, and implementation of migrant programs. (21 pages)

Minnesota Title I, ESEA Migrant Education Evaluation Report FY-75 - An overview of Minnesota's migrant education programs. (34 pages)

Minnesota State Plan FY-76 - Goals and objectives for Minnesota's migrant education programs. (28 pages)

MISSISSIPPI

Language Arts Game Handbook - Activities associated with reading and math games for migrant children. (155 pages)

Migrant Education State Plan - Goals and objectives for Mississippi's migrant education programs. **

Migrant Evaluation FY-74-75-76 - An overview of Mississippi's migrant education programs. (49 pages)

1975 State Migrant Education Conference - A report containing synopsis of speeches and workshop sessions at the State's 1975 Conference. Outlines goals and objectives of the State's programs. (10 pages)

Education of Migrants in Mississippi: Report of the 1976 Mississippi Migrant Conference - This evaluation indicates the conference was successful in fulfilling seven objectives and nine goals established at the conference's beginning. It includes reports from groups and comments from participants as well as lengthy articles on Mississippi's state program. (12 pages)

Migrant Education in Mississippi - 1977 Conference - A review and evaluation of the statewide conference. Contains overviews on the state program, new kindergarten program, Vietnamese children programs and thumbnail sketches of the migrant programs in operation within 15 agricultural counties in the Mississippi delta. (12 pages)

MISSOURI

Migrant Education in Missouri FY-74-75 - An overview of migrant education programs in Missouri. (81 pages)

Migrant Education in Missouri State Plan FY-75 - Goals and objectives of Missouri's migrant education programs. (69 pages)

Migrant Child Education in Missouri FY-76 - An overview of Missouri's migrant education programs. (79 pages)

MONTANA

Montana Migrant Children's Schools - Evaluation Report FY-75 - An overview of Montana's migrant education programs. (63 pages)

Montana Migrant Children's School Evaluation Report FY-76 - An overview of Montana's migrant education programs. (65 pages)

Montana Migrant Children's Education Program Evaluation Report FY-77 - The 1977 Billings elementary school district #2, which operates migrant programs in nine project sites, was evaluated through a contract with the State Education Agency. It includes information on virtually all aspects of the district's program and includes appendicies on enrollment and the state migrant advisory council. (51 pages)

NEBRASKA

Orphans of Wealth - Highlights of Nebraska's programs for migrant children including preschool, bilingual learning, basic instruction (in math, reading, geography, citizenship, dramatics and others) field trips, and health education. (23 pages)

And With Them Come Their Children - A pictorial booklet telling what Nebraska gives their migrant families such as health needs, dental needs, nutritional needs, housing needs, and schooling needs. (6 pages)

NORTH CAROLINA

Serving Migrant Families - The purpose of this book is to bring together, under one cover, a brief description of the services provided to migratory agricultural workers and their families, through the governmental and non-governmental agencies interested in migrant families. (95 pages)

On the Season - Description of programs in North Carolina for migrant children. (23 pages)

Application for Program Grant Education Programs for Migratory Children FY-75 - North Carolina's State Plan for migrant education programs. (9 pages)

Migrant Education 1975 State Evaluation Report - An overview of North Carolina's migrant education programs. (77 pages)

Migrant Education State Evaluation Report FY-76 - An overview of North Carolina's migrant education programs. (86 pages)

North Carolina Migrant Education FY-76 - North Carolina's State Plan for migrant education programs. (37 pages)

Migrant Education 1977 State Evaluation Report - More than 12,000 migrant children were served through 37 LEAs during regular school terms and through 24 summer LEA programs. The report highlights state program management, program coordination, special testing program for summer school programs, and a host of other components of the overall state program. (94 pages)

NORTH DAKOTA

Summer Educational Program for Migrant Children FY-75-76 - A booklet prepared for the purpose of providing information concerning North Dakota's summer education programs. It provides a narrative and pictorial description of the various programs which assist the migrant student. (49 pages)

OHIO

Attention Migrant Farmworkers - A Spanish brochure urging parents to send their children to school.

OHIO Cont.

Toward a New Horizon - An overview of migrant education projects in the State of Ohio. (16 pages)

A Migrant Education Curriculum-Fremont City Schools (6-9 year olds) - An overview of the characteristics of the migrant child, his basic unique needs, program rationale and design, the overall long term programs goals and skills, teaching guide which the teacher of migrant children can utilize in a most practical manner. (153 pages)

Administrators' Handbook for Migrant Education Programs - This handbook sets forth some suggestions for developing and administering migrant education programs. (40 pages)

OKLAHOMA

Migrant Education Handbook 1975 - A guide containing information related to migrant education programs and assistance to the local educational agency in determing the feasibility of migrant programs. Materials helpful in planning, implementation and evaluation of programs. (36 pages)

Oklahoma State Evaluation Report FY-76 - An evaluation of Oklahoma's migrant education programs including brief descriptions on health, lifestyles, housing, etc. for migrant families. (64 pages)

Annual Evaluation, Title I Migrant - 1977 - Thirty-three LEA's in 13 counties conducted programs during FY-1977 in Oklahoma. The report highlights the state administration, program statistics, evaluations in remedial reading, language arts, remedial math, health and special education, plus parental involvement, inservice training and program dissemination. (25 pages)

OREGON

To Teach a Migrant Child - Programs and concepts in migrant education. (35 pages)

Migrant Education Service Center 1975 - Administrative handbook providing a perspective for involvement in and cooperation with Oregon's various migrant projects. Including cultural awareness, bilingual/bicultural education, early childhood education, and parental involvement and others. (35 pages)

Parent Councils for Migrant Education - A booklet prepared for the parents and members of communities in which there are migrant programs. It explains the guidelines and regulations governing parental and community involvement in planning and administering migrant programs. (26 pages)

PENNSYLVANIA

The Pennsylvania Migrant Student Services - A one-page flyer on Pennsylvania's migrant services available.

Faces of Migrant Children - A report highlighting Abington Heights School District educational opportunities provided for migrant children. Offers information and a pictorial review of the project. (5 pages)

Pennsylvania Migrant Education 1975 Report - An overview of Pennsylvania's migrant education programs. (81 pages)

Pennsylvania 1975 State Report - Goals and objectives of Pennsylvania's migrant education programs. (44 pages)

Pennsylvania Migrant Education 1976 Report - This report is an overview of supportive services and educational programs for migrant children in the State of Pennsylvania. (107 pages)

MSRTS in Pennsylvania - A brochure describing Pennsylvania's MSRTS program.

PUERTO RICO

OCSEM (Oficina para la Coordiancion de Servicios Educativos a Migrantes) - Office for the Coordination of Educational Services to Migrants brochure provides its function as coordinating liaison for migrant children between the Commonwealth Department of Education and the State Departments of Education, a brief background of the OCSEM Office, description of the MSRTS and outline of two pilot projects in Puerto Rico. (In Spanish Only) **

SOUTH CAROLINA

ESEA Title I Migrant Evaluation Report FY-74-75 - An overview of South Carolina's migrant education programs. (FY74-104 pages) (FY75-31 pages)

TEXAS

Texas Child Migrant Program - A bulletin published as a source of information on preschool programs offered to migrant children. (24 pages)

Administrative Guide for Program of the Education of Migrant Children - Includes definitions, philosophies, goals, program objectives for the Texas migrant preschool program. (34 pages)

Handbook for a Parent-School-Community Involvement Program - Texas Educational Agency's handbook on developing a community-based parent and school advisory council for implementation of migrant education programs. (121 pages)

TEXAS, Cont.

Annual Report of the Texas Child Migrant Program 1974-75 - An evaluation of the Texas Child Migrant Program including objective measurements of educational achievement and the comparing of the educational achievement of participating children. (36 pages)

Evaluation Report 1975 - An overview of Texas' migrant education programs. **

Annual Report of the Texas Migrant Program FY-75-76 - An evaluation of the Texas Child Migrant Program including objective measurements of educational achievement and the comparing of the educational achievement of participating children. (26 pages)

Texas Day Care Study FY-76 - A pamphlet developed for dissemination as a result of extensive study in day care centers throughout Texas. An analysis of job performance as revealed from responses to a survey from 684 day care center personnel across the state of Texas, together with other information, led to the development of ten job descriptions, a career progression, and an individual training record for day care personnel. (21 pages)

UTAH

The Migrant Child and His Education in Utah - A fact sheet in both English and Spanish containing basic information on the problems faced by migrant children and some solutions to meet those problems. Also contains brief description of Utah's summer education program with program representatives in five regions within the state. (2 pages)

Utah Annual Evaluation on Summer Migrant Education FY-76 - This evaluation report contains summary statements from the state education agency, local education agencies and migrant parents concerning the summer program for migrant students. Also includes data on enrollment, staff, volunteer services, interagency cooperation, state agriculture statistics and newspaper articles on the programs. Data is presented on measurable and quantitative gains and impact on migrant students. (44 pages)

Utah Annual Evaluation on Summer Migrant Education, 1976 - Provides highlights of Utah's program for 742 migrant students through summaries and computations of student enrollment and participation in supplemental educational and vocational activities. Also gives summaries of volunteer participation, public involvement and paraphrased comments on each section from the state agency and the local educational agencies. (42 pages)

VIRGINIA

Evaluation Summary Data - An overview of Virginia's migrant education program. (29 pages)

Harvesting Hope - A booklet briefly describing a broad range of services to migrant children throughout the 19 counties of the State of Virginia.(25 pages)

NOTE: Description of education programs for migrant children are described in brochures published by the following school districts:

Accomack County	Albermarle County
Amherst County	Buckingham County
Campbell County	Frederick County
Nelson County	Northampton County
Shenandoah Counth	Winchester County

Virginia Beach City Schools

Operation Catch-Up - An overview of Northampton, Virginia's migrant programs. (9 pages)

Virginia's Education Program for Migrant Children - An overview of Virginia's statewide program for migrant children. Gives locations of schools and contact persons. (9 pages)

The Migrant Education Program of Virginia Beach, Virginia City Public Schools - Gives an overview of Virginia Beach, Virginia City Public Schools migrant programs; visually oriented. (5 pages)

Moving Up in Migrant Education - An illustrated brochure published by the migrant education program in Northampton County, Virginia describing the program's activities for migrant children.

After Ten Years of Progress, Then What in Migrant Education FY-76 - A report on the March 7-12, 1976 Eastern Stream Regional Conference for migrant education which provides detailed descriptions of workshops in reading-language arts, mathematics, bilingual education, career education, and many others. (64 pages)

Title I in Action-Evaluation Summary Data, 1976 Regular and Summer Sessions - Taken from evaluation reports submitted by LEA's throughout Virginia, this summary identifies strengths and weaknesses of programs and provides a management instrument for state administrators. It provides a different perspective and comparison to migrant evaluation reports. (30 pages)
